

Our Spirits Philosophy

Having started as a Wine Bar, we like things we can sip. We like drinks that are aged and continue to develop inside the bottle...ones with character that stand on their own. Ones you can compare side by side and appreciate what makes them the same and different all at once. And, of course, drinks that pair well with food because we believe well paired food only makes what you are drinking better.

Our Spirits Philosophy follows this course and leads us to Whiskey. As with wine, whiskey changes with age and picks up the flavors of the barrel. And like wine, the complex flavors in whiskey enhance the food on your plate. We have created our selection of Bourbon, Scotch and Rye in the same way we created our wine list...with a great deal of care, focusing on quality and diversity so that we can satisfy every palate in the house.

Feel free to ask your bartender or server for tasting flights of any of these whiskeys. You will find that we approach whiskey exactly the same way we approach wine. Explore and find what you like...and when you find what you like, don't stop there. Keep looking and keep exploring because you never know what surprise lies waiting for you.

WHISKEY FLIGHTS

themed tasting samples to compare and contrast
¾ oz tastes per whiskey

Identity Crisis – Mixed 16

Woodford Bourbon | Bulleit Rye | Benromach 10 Year

Are you just getting started with whiskey and want to find out your preference: Bourbon, Rye or Scotch? The main difference is the grain used: corn vs. rye vs. barley. This flight will help you establish your whiskey identity.

Cheese & Charcuterie Pairing: Ciccicoli or Farmhouse Cheddar

Burden of Proof – Bourbon 16

Basil Hayden's (80 proof) | Buffalo Trace (90 proof) | Noah's Mill (114 proof)

Different techniques of distillation can result in different levels of alcohol content. The 'heat' is greater with the higher alcohol content bourbons, giving them a more robust flavor. Lighter proof bourbons tend to be smoother and more delicate.

Cheese & Charcuterie Pairing: Boar Salami or Vacherousse

Ryes to the Occasion – Rye 16

Templeton Small Batch | Willett Rare Release | High West Double Rye

The subtle difference in the taste of Ryes are based on the percentage rye (80%/92%/98% respectively), the location of the distillery and the distillation process (traditional pot distillation vs. modern distillation that is filtered more).

Cheese & Charcuterie Pairing: Rabbit Pate or Ossau-Iraty

Age Dilemma – Scotch 24

Caol Ila 10 Yr | Macallan 12 Yr | Linkwood 15 Yr

Aging has a big impact in flavor profile. Younger scotches tend to have more of a strong, firm palate, while older selections get smoother, adding layers of fragrance like cinnamon, clove, and peat.

Cheese & Charcuterie Pairing: Rilletes or Cabricharme

Hop Scotch – Single Malt Whiskey 32

Westland American | Nikka Yoichi | Lagavulin 16 Year

It's not a real scotch unless it's made in Scotland. Or is it? Well, the Americans and Japanese take exception to that and here's their response. The water in each country ultimately makes the difference in flavor. See for yourself.

Cheese & Charcuterie Pairing: Midnight Moon & Ciccicoli

WHISKEY VERTICALS

different expressions from the same master distiller
¾ oz tastes per whiskey

Whistle Pig – Rye 42

10 Year Straight | 12 Year Old World | 15 Year Straight

One rye is 100 proof and aged in bourbon barrels. Another is 86 proof and aged in 63% mader, 30% sauterne and 7% port barrels. The third rye is 92 proof and aged in new Vermont oak grown on Whistle Pig's property. Can you tell which is which?

High West – Mixed 16

American Prairie | Double Rye | Campfire

One master distiller playing with all 3 grains (corn, rye and barley). One is a bourbon, the other rye and the third, a blend of bourbon, scotch and rye. It takes a distiller from Utah to do something crazy like that.

Compass Box – Scotch Blend 25

Hedonism | Great King Street | The Peat Monster

Compass Box is an American distiller that went over to Scotland using the highest American standards for whiskey making (don't tell that to the Scots). These 3 expressions of scotch range from smooth to smoky/peaty.

Old Rip Van Winkle – Bourbon 90

Old Rip Van Winkle 10yr | Rip Van Winkle 12yr | Pappy Van Winkle 15yr

After the 51% corn, most bourbons are rounded out with a mix of rye and barley. Not these bourbons. They use wheat instead of rye and are known as 'wheated' bourbons. The ages make the difference in taste. Many think the 15 year is the best. Try for yourself and find out who's your Pappy.
